## PRINCIPLES

**Witness, don't prescribe**

Records reality — no guilt, no pressure. Data without judgment.

**Data at a glance**

Numbers are large and chromatic. Scannable in under a second.

**Friction-free logging**

Every entry takes under 15 seconds. Search-to-fill, smart defaults.

**Dark-first, focus-first**

Dark surfaces. Accent colors carry all semantic meaning.

**Optional is truly optional**

Photos and weight never block the core logging flow.
